ROWLEY HOME IMPROVEMENTS

WINDOWS, DOORS, CONSERVATORIES & BI FOLDING DOORS

By continually focussing on the latest innovative products, advanced installation techniques and ensuring our customers are 100% satisfied with each job, we have grown substantially over the past few years.

Choosing Rowley Home Improvements means a commitment to customer care, backed by 10 year product guarantees and top quality advice and assistance every step of the way.

Our staff are all industry professionals with years of experience behind them and look forward to helping you realise your dream, whether it be simple replacement doors and windows, stylish bi-folding doors, conservatories or something more elaborate.

Come and visit the showroom, we always offer a warm welcome! Please call in to see a selection of our aluminium, UPVC and glass products which are available to meet every taste and design.

Rowley Home Improvements is a family run business.

Safety, Security & Style.

It all starts with an

Endurance Door.

Renowned for their strength and security, an Endurance Door means you'll enjoy peace of mind every time you turn your key.

The 48mm thick solid timber core of an Endurance Door is up to 10% thicker than other doors on the market, a difference you'll hear each time you close your door. Whilst other doors may click shut, the reassuring clunk of the Endurance Door lets you know that your home is both is safe and secure.

Each Endurance Door has a host of unique features that make it the most durable and hard-wearing door available. Designed to stand the test of time, your Endurance Door will require very little maintenance to keep it looking great for years to come.

Use our innovative HomeView Door Designer to try our range of door styles, colours, glazing and hardware accessories on an actual photo of your own home.

Why Choose Endurance?

Safety, Security & Style.

Your Door. Your Style

With over 85 stylish door designs, 19 colours and an amazing choice of glazing and hardware accessories within our range, you're sure to find the ideal fit for your home. Let our brochure be your source of inspiration before heading over to our online HomeView Door Designer.

Solid to the Core

The core of an Endurance Door is made up of 17 crossed layers of engineered timber, giving them unrivalled strength and a reassuring feel of quality.

Choose an Endurance Door to make would-be burglars think twice.

Built to Last

Every Endurance Door is made with an integrated Moisture Barrier Strip at the foot of the door.
This unique feature means that the timber core of an Endurance Door is protected from water ingress, making it highly resistant to warping or swelling.

Secured By Design

Secured By Design is the official UK Police initiative supporting the principles of 'designing out crime'. The Endurance Door design achieves this standard when combined with laminated glass and the 3 Star High Security Federal UCF locking cylinder.

In order to meet this standard the Endurance Door range has been put through a series of rigorous tests, designed to replicate methods a burglar might use to gain entry to your home. Including:

- A manual attack on the locking hardware, including a crow bar and mole grips
- Unlimited number of 3 minute attacks on the door cylinder using a range of tools such as screwdrivers and craft knives
- 3 minute manual attack using chisels and brick bolsters to gain entry through the door
- Hard Impact Test - The door is struck with a 50kg steel impactor at its hinge and locking points

Secured by Design

SBD

Police Preferred Specification

SLEDGEHAMMER-PROOF

We put the Endurance Door design to the test by attacking it with a sledgehammer.

Scan the above code with the camera on your Smartphone to see how we got on!

Locking Cylinder (A)

Our standard locking cylinder is anti-pick, drill and bump with a sacrifical cut included with our High Security Upgrade

High Security Multi-point Locking System (B)

Our Locking System is tested to Secured By Design specified PAS 24 Security Standards

Solid Timber Core (C)

48mm thick cross laminated solid timber core makes the Endurance Door the most solid and secure on the market

Moisture Barrier Strip (D)

Our unique moisture barrier strip is concealed within the foot of the door - preventing the Endurance Door from warping or swelling

Hardware Accessories (E)

Our Hardware Accessories have been rigorously tested to ensure their durability - so you can count on them to look great for years to come

Hard Wearing Door Skin (F)

CoolSkin® technology used to produce our door skins offers a realistic woodgrain texture whilst protecting against delamination, cracking, bowing or warping

PVCu Door Frame (G)

Our door frames are strong, secure and energy efficient. They are even made from environmentally friendly recycled plastic

Thermally Toughened Glazing (H)

Our range of stylish decorative glazing has been thermally toughened, offering the best in security whilst also looking beautiful

FEDERAL UCF Cylinder ★★★

At Endurance Doors, we believe everyone has the right to feel safe and secure in their own home.

That's why our doors can be upgraded with the Federal UCF Locking Cylinder from Brisant, one of the most secure locking cylinders in the UK.

The clever locking system of the Federal UCF knows when it's being attacked, with a hidden locking mechanism that automatically engages to stop would-be burglars in their tracks.

Lock snapping has become the preferred entry method for UK criminals and the Federal UCF Locking Cylinder has another trick up its sleeve to keep burglars at bay. A sacrificial cut is used so that when the burglar grabs the end of the cylinder, just the tip snaps off leaving more metal in front of the central locking mechanism as protection.

Having been tested to Sold Secure 'Diamond Grade' standards, the Federal UCF Locking Cylinder has achieved a level of security that far surpasses other locking cylinders on the market.

£1,000
SECURITY GUARANTEE

We are so confident in the unprecedented level of security offered by the Federal UCF Locking Cylinder used in our doors, that in the unfortunate event your home is broken into by means of snapping the cylinder, we will offer £1,000 in compensation.

Terms & conditions apply. See website for full details.

ENDURANCE
PREFERRED INSTALLER

You're in safe hands with our Preferred Installer Network

We only select the most talented installers to join our Preferred Installer Network, so you can be sure your Endurance door will be installed to the highest possible standard.

All of our Preferred Installers have full access to not only the most solid and secure composite doors in the UK, but to our knowledge and expertise, too. With one of our Preferred Installers you can be sure of the best advice on choosing the right door for your home and the highest quality installation.

PREFERRED INSTALLER CHARTER

To ensure that our Preferred Installers reach our high standards they must meet the following criteria:

- Have a track record of installing Endurance Doors to our agreed fitting standard
- Have a clearly defined customer care policy that places the needs of the homeowner first
- Have clearly defined policies for monitoring service levels and handling complaints
- Have an excellent knowledge our products and are specialist Endurance Door installers

"I just love absolutely everything about my door.

From the style, the quality, the way the door has been fitted. It's just amazing."

- Karen

"The installation was such a smooth process. For a big job, it was done quickly and efficiently by people who knew what they were doing and were professional and friendly.

It was really easy!"

- Louise

"I would definitely recommend Endurance Doors to my family and friends. I have two of them at my current home and would definitely have them again at my next property."

- Mina

Get The Look: Classic & Captivating

Come home to an entrance that's brimming with period charm, when you choose a door design from our timeless Classic Collection.

Door Style - Bowmont

With it's large glazed area, detailed panelling and authentic woodgrain finish the Bowmont is based on a traditional door design from the Victorian era.

Glazing Style - Riviera

One of our most popular glazing styles, Riviera is a beautiful triple glazed design with a combination bevels, lead and textured glass. Fill your hallway with natural light whilst still maintaining your privacy with this classic design.

Colour - Pearl Grey

Give your entrance a contemporary edge by opting for a Pearl Grey finish. The pastel tone of Pearl Grey will give your entrance a sophistication and luxurious appeal.

Hardware Accessories

Graphite accessories from our Classic range of hardware complement the pastel hue of the Pearl Grey door colour. The traditional Urn Knocker is a popular choice alongside any of our Classic Door Styles.

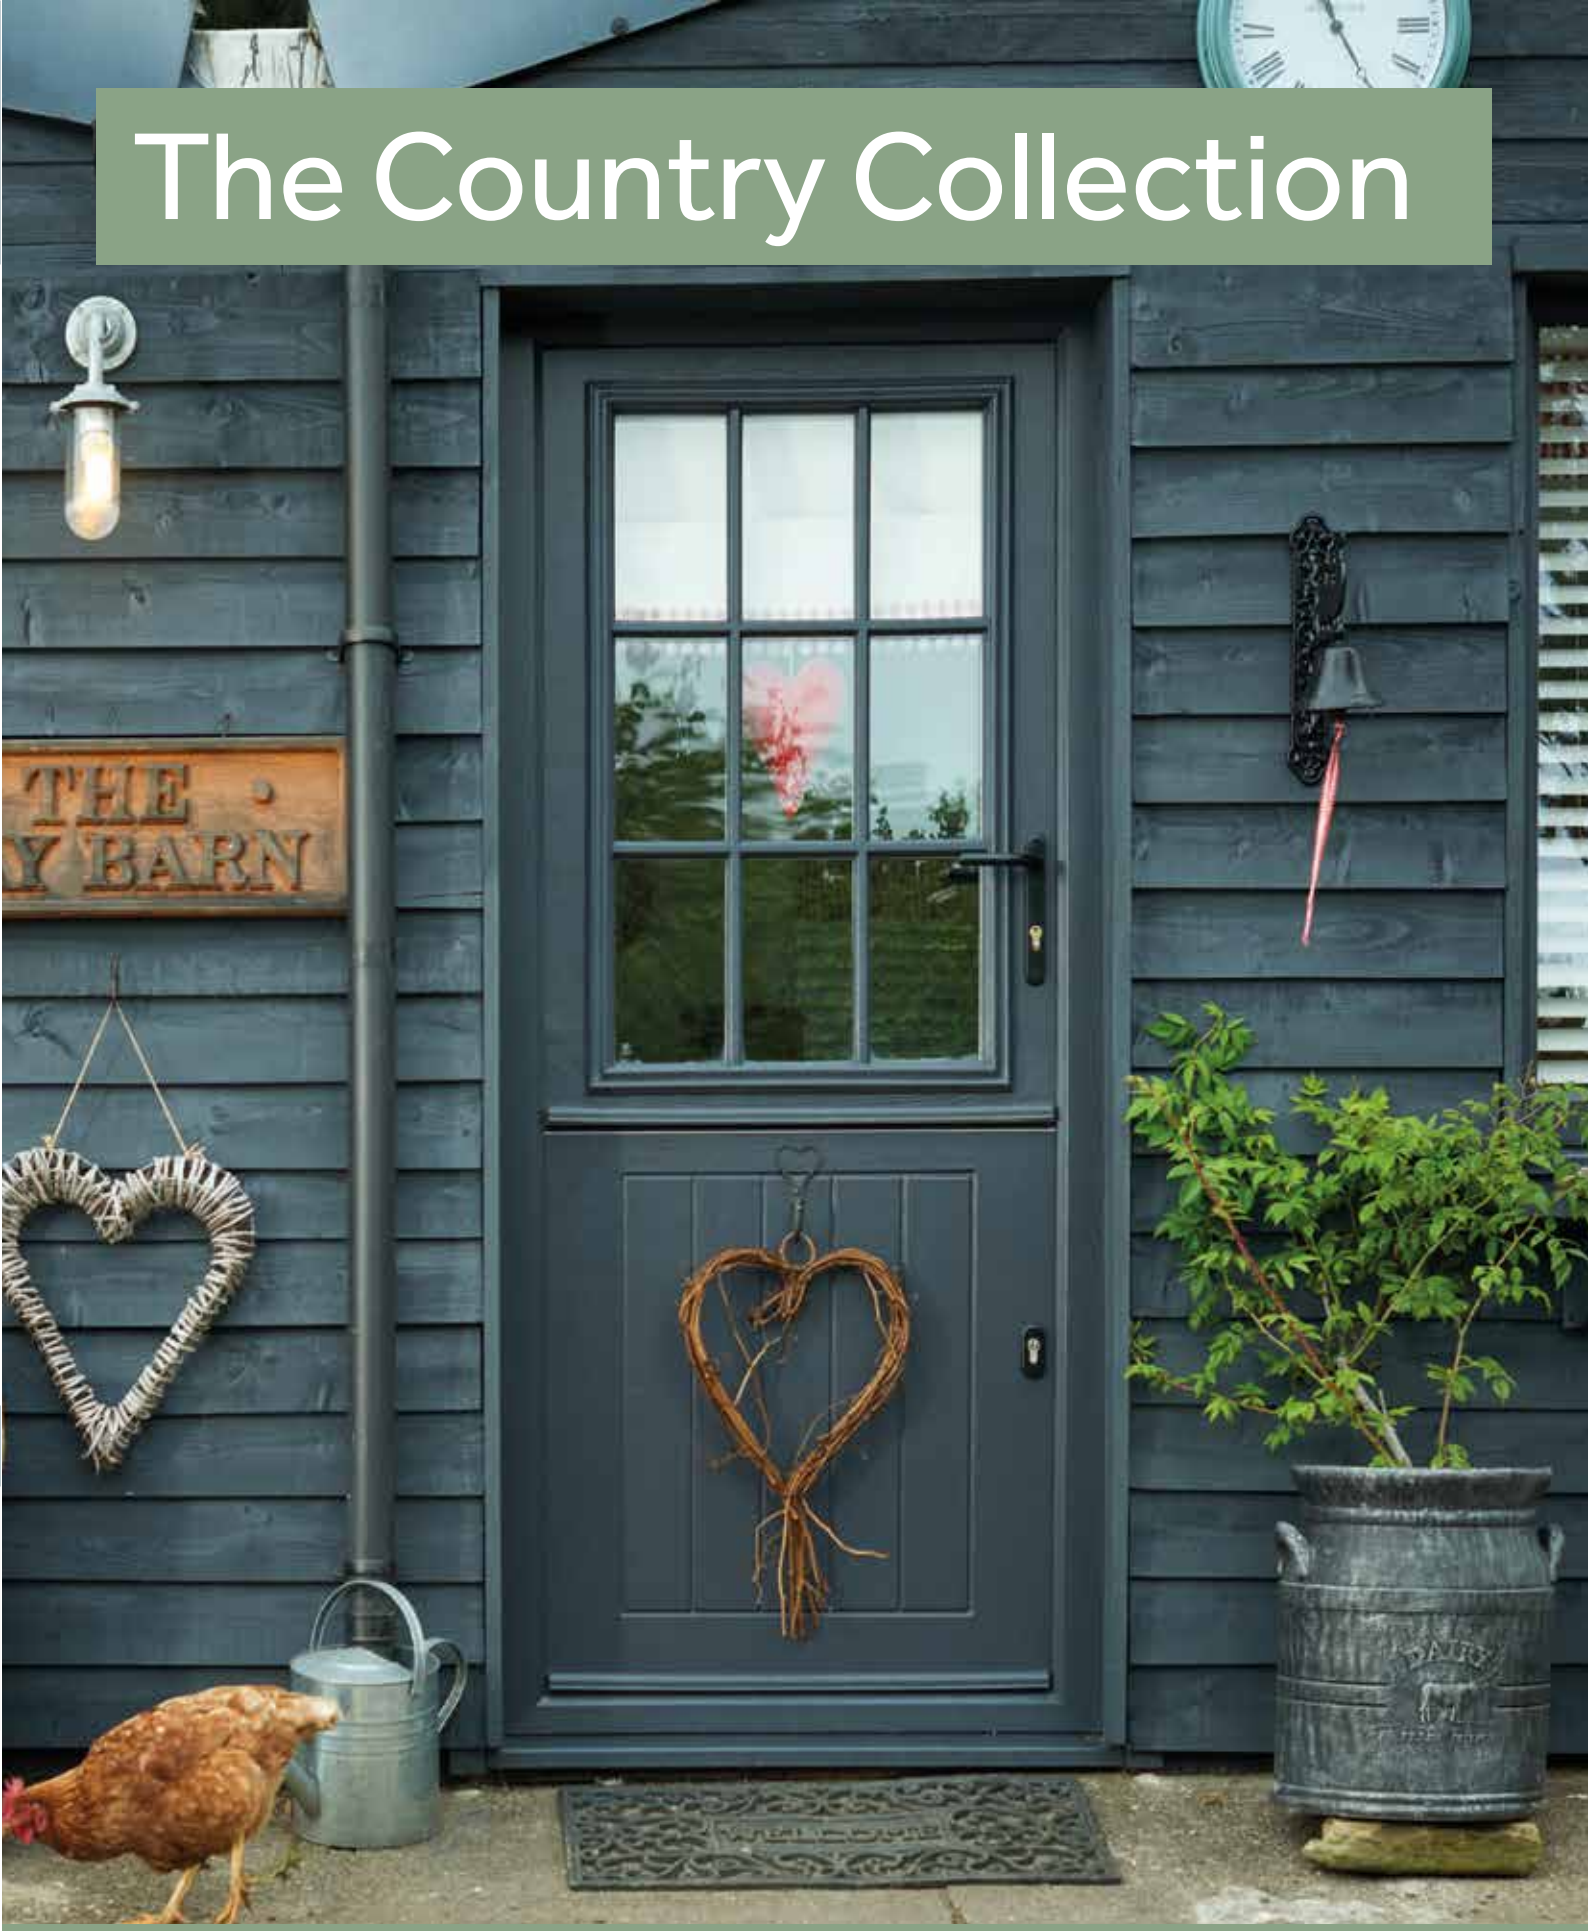
The Country Collection



Our Country Collection features a range of traditional shiplap styles that look fantastic in earthy tones such as Pebble or any of our woodgrain finishes. You can also create a statement entrance with Duck Egg Blue or Chartwell Green. These doors are ideal for bringing a charming, heritage feel to your home.

Stable Doors

Many of our stylish door designs are also available as Stable Doors. Visit our HomeView Door Designer at to add some rural charm to your home.

Get The Look: Modern Country Chic

Add rural charm with a modern twist to your home when you combine a new door from our Country Collection with your choice of our contemporary grey colours.

Door Style - Rushmore Georgian Stable Door

The traditional Georgian style glazing bars and shiplap effect at the bottom of the door gives this design a truly authentic timber appearance. A stable door design will really enable you to make the most of your outdoor space.

Colour - Anthracite Grey

One of our most popular colours, Anthracite Grey can be used to perfectly complement more traditional materials like galvanized steel planters or terracotta pots.

Glazing Style - Clear

By opting for clear glazing you can add a personal touch to your home, try dressing your door with your choice of accessories or blinds.

Finishing Touches

Complete your look by adding accessories to complement your home. Here, galvanised steel pots and an old fashioned milk pail have been used to complete the look.

Get The Look: Sophisticated Luxe

Make the right first impression with an entrance that oozes minimalist style. The clean lines of the door designs from our Ubran Collection coupled with a neutral grey or black colour and metallic door furniture will add an ultra modern feel to your home.

Door Style - Alto

The simple and understated detailing of the Alto design makes this door style the ultimate choice for adding a chic and minimalistic style to your home.

Glazing Style - Satin Glass

Fill your home with natural light whilst still maintaining your privacy by choosing Satin Glass.

Colour - Anthracite Grey

Neutral greys and blacks are the ideal choice for your sophisticated Urban style entrance. The authentic woodgrain texture of an Endurance Door combined with an ultra modern grey will give your creation a high-end look.

Finishing Touches

Stainless Steel Pull Handles and Graphite coloured Door Accessories from our Architectural Range are the ideal way to complete this sleek and stylish entrance.

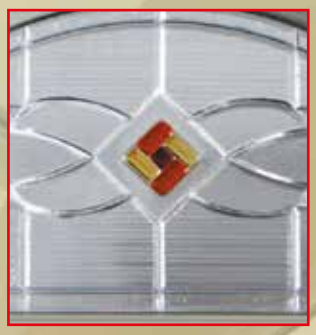
ROWLEY HOME IMPROVEMENTS

WINDOWS, DOORS, CONSERVATORIES & BI FOLDING DOORS



With so many companies offering seemingly the same products but at dramatically different prices, how can you decide what's best for you? A lot of the time it's easy to make a buy based on cost, but this may not always be the right choice.

Windows: When you buy from Rowley you're guaranteed a great job made from only the best components and materials everytime. We only use the Rehau profile on all our products which not only has excellent thermal capabilities but performance and durability built in. All of our large openers are secured with a 9 point locking system and are tested to PAS24 to guarantee you exceptional quality.

Doors: All our doors are manufactured using a high technology process that ensures excellent quality with great looks, and all come with a Yale anti lift locking system as standard! With Rowley making the right choice has never been easier.

Conservatories: Buying a conservatory for your home requires a lot of consideration, are you buying the best, what style is right for your home, have you got all the facts? We at Rowley have years of experience behind us and all of our conservatories are made using only the finest components. From the Rehau Profile to the Yale locks as standard, with Rowley you're in safe hands.
